A **GLOBAL PLATFORM** CONNECTING THE GLASS INDUSTRY

As the only dedicated glass event in the region, Gulf Glass attracts a specialised audience who are looking for information and opportunities centered on the manufacture and application of a variety of glass related products. Ranging from architectural applications through to decorative applications, the event presents itself as a critical lead generation opportunity.

Strategically co-located alongside The Big 5, Gulf Glass attracts key decision makers for intensive product sourcing and knowledge sharing. We are delighted that the 2021 event will be in-person at the Dubai World Trade Centre, with all required health and safety standards in place.

AllSecure

In 2021, exhibitions and events will play a crucial role in driving economic recovery, helping organisations kick-start their businesses.

At dmG events, our commitment to delivering exceptional live in-person events that support economic growth and recovery, will be reinforced by a four-point framework designed to ensure the health and wellbeing of our participants is prioritised and to provide reassurance to all who visit our events, that they are in a safe environment.

ALL SECURE 4 CORNERSTONES:

Social / Physical Distancing

In accordance with government guidance we will follow the Crowd Density Standard for each event including revised floorplans, adapted set-up and break-down processes, staggered and pre-booked admission as well as spaced-out seating for workshops and conference.

Cleaning & Hygiene

Event venues will provide enhanced cleaning both before build up and the opening of show floor, along with enhanced cleaning regimes and facilities throughout the event. There will also be guidelines to assist in the set up and breakdown of events to follow social distancing, hygiene and cleaning guidance.

Protect & Detect

Participants may be requested to wear face masks as a hygiene measure to mitigate against the risks of COVID-19. In addition, we can also include separation screens in areas of interaction. Additional first aid stations will also be offered for enhanced

Communication

Communication is a critical success factor in this programme to build confidence for all people who participate in our industry events. The All Secure Standard will be communicated across various digital channels and be supported by clear onsite signage.
