# THE CITY OF VERONA

## AND HOW TO REACH THE EXHIBITION CENTRE

Verona is world famous for Shakespeare's "Romeo and Juliet" and is also a UNESCO "World Heritage Site". A city of art, business and tourism.

The most evocative locations in Verona - such as the Arena and the Palazzo Gran Guardia - are specifically chosen by Vinitaly to host prestigious events and elegant gala evenings.

Verona is part of the Great Wine Capitals initiative and the only Italian city included among the 10 world capitals of wine.

Travelling by train has always been the most convenient, fast and sustainable way to reach Vinitaly. Travellers by train can use the pedestrian-bicycle link between the station and the exhibition centre to reach Vinitaly in less than 10 minutes: from platform 12, the route (570 metres long in total) leaves from the rear of the station, crosses over the sidings and reaches Viale Piave; here, you can take a shuttle bus or continue on foot to the exhibition centre following the route marked by special stickers on the ground with directional arrows.

Verona is reached on the Serenissima Motorway (A4 Milan-Venice, exit for Veronafiere: Verona Sud) or the Brennero-Modena Motorway (A22, exit: Verona Nord).

"Valerio Catullo" Verona-Villafranca International Airport is only about 10 kilometres from Veronafiere. During the event, there is a free shuttle service to/from the Exhibition Centre.
