DEAR EXHIBITOR

Welcome to Chemspec Europe 2023! We are delighted to bring together the whole fine and speciality chemicals industry in Basel. Over the next two days, Chemspec Europe will provide you with the ultimate platform to promote your specialised products and bespoke solutions, exchange know-how and competencies and network with your industry peers.

For the 2024 edition, we look forward to welcoming you in Düsseldorf. Take part in this unmissable event: a marketplace to meet purchasers and agents looking for specific products and learn the latest findings and regulatory issues relevant to the sector.

There is only one thing left to say: Thank you for being part of Chemspec Europe 2023.

Next stop: Messe Düsseldorf, 19 - 20 June 2024
